

How to Order Certificates

Only the state Office of Vital Statistics issues certified copies of certificates. No records of events, which occurred outside of Kentucky, are available from the Kentucky Office of Vital Statistics. Applications for birth and death certificates are provided to the general public by the local registrar. The state office provides applications for marriage and divorce certificates. School systems, post offices, libraries, and other agencies request birth applications in bulk certain times of the year. It is the local registrar's responsibility to keep plenty of the applications on hand and to notify these agencies any time the fees change.

Kentucky is an open record state. Anyone who pays the proper search fee and includes the required information to identify the record may obtain a certified copy.

The Office of Vital Statistics began registering birth and death records in January 1911. The registration of marriage and divorce records began in June 1958. The following fees shall be charged for any search or copy of a record:

BIRTH	\$10.00
DEATH	\$6.00
STILLBIRTH	\$6.00
MARRIAGE	\$6.00
DIVORCE	\$6.00
